# Submit and register for AMBIO IX: *Biogeochemistry Across Boundaries*

A celebration of Professor Tim Jickells and biennial meeting of AMBIO –  
Special Interest Group of the Challenger Society for Marine Science

June 24<sup>th</sup>-27<sup>th</sup> 2019, University of East Anglia, UK

## Keynotes

Professor Emeritus **Robert Duce** Texas A&M University  
Asst. Professor **Laura Bristow** University of Southern Denmark  
Professor **Richard Sanders** National Oceanography Centre  
Dr **Sian Henley** University of Edinburgh  
Professor **Tim Jickells** University of East Anglia

**Submit your abstract:** We are pleased to extend our call for abstracts that present new data, new ideas and/or new approaches to advance understanding of biogeochemical processes within the ocean and across its boundaries - from equator to poles and from sky to seafloor.

Please submit your abstracts by e-mail to **ChallengerAMBIO@gmail.com**. We welcome submissions from all researchers, students and early career, from across the UK and international community. Abstracts should be <200 words, include a title, the names and affiliations of all authors, and indicate the presenting author and their preferred presentation format, oral or poster. Places are limited, and the **deadline for abstracts is extended to May 3rd 2019**.

**Register now!** Additional meeting and registration information now available at: **[www.challenger-society.org.uk/Advances\\_in\\_Marine\\_Biogeochemistry](http://www.challenger-society.org.uk/Advances_in_Marine_Biogeochemistry)**
